PRICE LIST OF STOCK FOR SALE

AT THE

Kansas Home Nursery,

For the Fall of 1871 and Spring of 1872.

PARDEE BROTHERS, Proprietors.

TERMS AND CONDITIONS.

Our terms are cash with the order, or one-fourth cash with order, and the balance C. O. D. by express.

All plants are carefully packed and delivered at the depot, express or Post Office, without extra charge, when our responsibility ceases. The forwarders are then liable for any loss or injury.

Six plants of one variety will be sent at dozen rates, 50 at 100 rates, 500 at 1,000 rates.

Strawberry plants sent by mail, carefully packed and postage prepaid, at dozen or 100 rates. Other small fruits at single or dozen rates.

Parties wishing plants in considerable quantities will please send us a list of what they want and we will return it with *special* prices annexed.

We usually commence packing in the fall about October 10th, and in the spring as soon as the frost leaves the ground. Strawberry plants can be sent any time after August 15th.

We make the sending of plants by mail a specialty, and will attend to all orders promptly.

In this climate we strongly recommend fall planting. If not ready to plant in the fall, get your plants then and heel them in so as to have them ready to set in the spring, as soon as the ground will do to work, thus giving them the benefit of spring rains.

If we make any mistakes in filling orders we wish to be informed of them as soon as possible, when we will promptly correct them.

We do not claim any right to substitute one variety for another, as some Nurserymen do. If we cannot fill an order as we receive it, we will consult the person sending it, by letter, and will then return the money, or fill the order as far as we can and return the balance of the money, as he may direct.

All the stock offered in this list is grown on our grounds, and is, we think, equal to any that can be had here or elsewhere, while our prices are as low as the lowest, as will be seen by comparing our price list with others, which all are invited to do.
